Business Manager

July 21, 2021

SCSD Employees, Students and Parents,

Greetings! I hope everyone is enjoying a wonderful summer! The district's Health and Safety Pandemic Planning Committee met on Wednesday, July 21, 2021 to review the most current recommendations from the Centers for Disease Control (CDC) and guidance from the Pennsylvania Department of Education (PDE). As of the time of this writing, the Susquehanna Community School District Health and Safety Planning Committee will present the following recommendations related to masking to the Susquehanna Community School District Board of Education on August 4, 2021:

- All unvaccinated employees and students will be **ENCOURAGED** to wear a mask as long as mask wearing is a CDC recommendation for unvaccinated individuals in school settings;
- As per federal order from January 29, 2021, all unvaccinated and vaccinated students will be **REQUIRED** to wear a mask while being transported through district sponsored transportation; and
- If Susquehanna County moves into the **SUBSTANTIAL** or **HIGH** category of Covid-19 Transmission, all unvaccinated students and employees will be **REQUIRED** to wear masks during the school day.

More information will be available in early to mid-August related to masking and mitigation strategies. Please check the district's website regularly for updates.

Thank you,

Bronson Stone  
Superintendent of Schools
