

# ARP ESSER 7% Set Aside Grant Funding

SCSD Grant Program Plan

# ARP ESSER 7% Set Aside Grant Details

Total Grant Amount: \$151,653

\$108,323 - Learning Loss

\$32,497 Minimum Allocation for Mental Health

\$10,824 Minimum Allocation for Mental Health Professional Development

\$8,666 Minimum Allocation for Reading

\$21,665 - After School Programming

\$21,665 - Summer School Programming

# SCSD's Plan for Learning Loss (Mental Health)

SCSD will use \$80,000 of the grant to contract with a service provider to provide an additional mental health worker for the school district for the 2022/2023 school year.

The role of the mental health worker will be to:

- provide individual and group counseling to district students and staff
- provide professional development and support to district staff
- support students in crisis

# SCSD's Plan for Learning Loss (Professional Development)

SCSD will use \$19,000 of the grant funding to coordinate and provide professional development for district staff during the 2022/23 and 2023/24 school years related to the following mandated topics:

- a. Social emotional learning and support for students that have suffered trauma during the COVID-19 pandemic;
- b. Identifying signs of possible mental health issues and providing culturally relevant support;
- c. Motivating students that have been disengaged;
- d. Mentoring students who have attendance issues before it becomes a pattern;
- e. Self-care and mindfulness strategies for teachers;
- f. Engaging and communicating effectively with parents;
- g. Working with community agencies to address non-academic needs.

# SCSD's Plan for Learning Loss (Professional Development)

Professional Development in grant target areas shall occur through the following trainings:

2022/2023: Self-Care & Mindfulness / Transformative Social Emotional Learning / Engagement and Attendance Strategies

2023/2024: Restorative Practices - Conflict Resolution / Bullying / Resiliency

## SCSD's Plan for Learning Loss (Reading)

SCSD will use \$8,666 of the grant funding to purchase a reading software program to support struggling readers.

The program will be used with 50 struggling readers during summer and after-school programs.

# Summer & After-School Programming

SCSD will use \$26,665 of the grant funding to operate a summer program during June and July of 2022 focusing on struggling readers from the economically disadvantaged subgroup in grades 3rd through 8th.

SCSD will use \$26,665 of the grant funding to operate an after-school reading intervention program focusing on struggling readers from the economically disadvantaged subgroup during October & November of 2022. The program will focus on struggling readers in grades 3rd through 8th.

# Stakeholder Feedback on Grant Plan

If you would like to provide feedback to the Susquehanna Community School District on the district's grant plan, you may do so by clicking on the link below
