

Spring Wellness Meeting

Monday, May 22, 2023 · 3:30 – 4:00pm

Google Meet joining info: Video call link: <https://meet.google.com/ovs-jgdc-nho>

~ Review COVID #'s - Last time that a case was reported to the district

- HS - 1 case the week of 3/31-4/7
- ES - 3 cases the week of 3/17-3/24
- Updated Health & Safety Plan was reviewed by the team and the BOE

~ Mobile Dental 2023 - 50 students took advantage of the Mobile Dental program this school year. This is slightly lower than previous years, but that is due to an increase in students who have a private dentist that they see regularly. We are scheduled for 2024 with the Mobile Dental group and intend to continue utilizing their services annually.

~ Immunization Compliance for the 2023/2024 school year (multiple methods have been utilized to notify parents well in advance)

- 10 students entering K5 that require updates by the 5th day of school
- 29 students entering 7th grade that require updates before the 1st day of school
- 19 students entering 121th grade that require an update before the 5th day of school

~ United Way Nurses Pantry and New Milford Rotary Club donations

- Both groups made donations to our office this year, United Way will continue their donation into next year, uncertain if the Rotary Club will
- Items purchased - pants and underwear, lice treatment kits, deodorants, feminine hygiene products, knit gloves, toothbrush kits for all of K5

~ Nutrition Group will be back again next year and breakfast and lunches will continue to be free for all students! It has been discussed to bring back a student advisory committee to sample food products and improve meal choices.

~ Any additional comments/suggestions/discussion:

- Wheelchair lift in the HS is fixed and waiting on state inspection
- Mono/strep increases across the country - study at the college level attributes it to the sharing of vapes
- Pride and Polish will take place on 5/25/23 and all HS students will be participating this year
