*Getting well and staying well
We're here for you*

quality health care for your family

We're a federally qualified health center, so you won't be denied service because of an inability to pay. Our fees are offered on a sliding-fee basis. That means if you can't afford to pay full price, you'll only pay a fraction of our fee, based on the amount of your income and household size.

We Accept

Most health insurances, private payments, Medicare, and Medical Assistance
