**Information about baby pictures and childhood pictures:*

Please, no nude pictures.

If you cannot send pictures by e-mail, then please follow the guidelines listed below when submitting pictures to ensure their safe return.

- 1. Place the photo in an enclosed envelope and write your name on the envelope. Write your name before putting the picture in the envelope to avoid making marks on the photo.*
- 2. Write your name on the back of the photo using a pencil. Do not use ballpoint pen or watercolor marker because these will ruin your photograph.*
- 3. Include a self addressed stamped envelope if you wish to have the pictures returned or we will return them to you in school after they are scanned.*
- 4. Photos that are emailed must include the name of the student/baby in the subject header.*
